of Mental Health Nurses

# Victorian Branch Online Event

## NURSING INSTITUTIONAL TRAUMA

WHAT CAN MHNS DO TO REDUCE THE RISK OF  
CUMULATIVE HARM?

**13 MAY 2026 | 6:30PM – 7:30PM AEDT | ONLINE**

### **Jacqui Cousins, Community Mental Health Nurse | 25+ years experience**

In Jacqui's private practice she focuses on caring for carers and counselling for people who have experienced institutional harm. Jacqui believes in utilising social prescribing and nature-based therapies to empower people toward self-directed recovery, and promoting the value of rest.
